

# How to Use Team Up Calendar

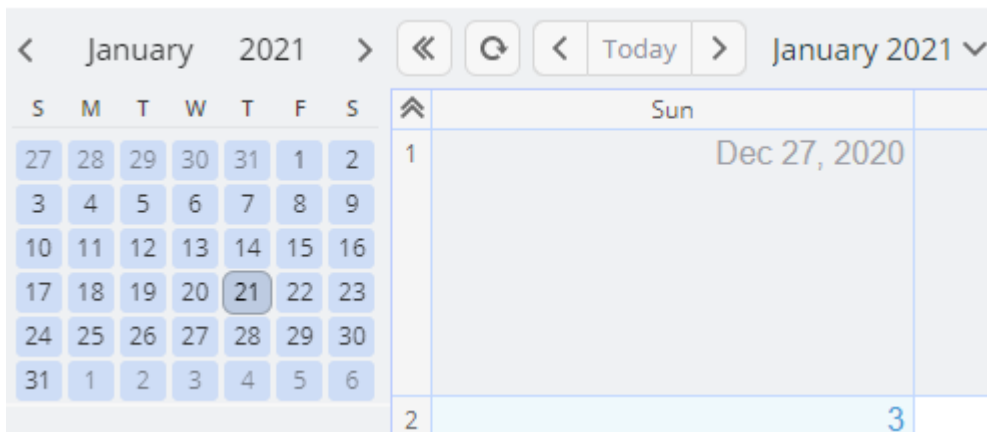

1. The Team Up calendar can be accessed directly from the sharable link or on the Logan County Fair & Rodeo website (lcfair.org).
2. First, choose your viewing preference in the top right. You can view the calendar day by day, week, month, year etc.

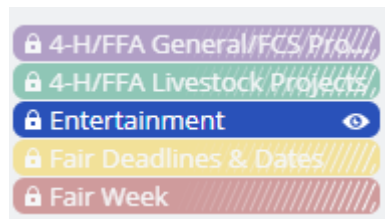

3. Toggle between calendar days, weeks, months by clicking the arrows on either side of the "today" button.

4. Jump to a specific date by using the small monthly calendar view on the left top side.

5. View specific calendar categories by hovering and clicking the eye next to the category. Or eliminate a category from your view by clicking the entire button.

6. Review more details of a due date by clicking the button the specific date. Some description boxes will include links to downloadable forms.
